**VERNISSAGE: 5 JUNE 17.00 – 20.00**

Art Place88 has great pleasure to introduce an extremely talented photographer MIRKO RIES. At the tender age of 26 Mirko shows tremendous sensitivity in his photography. Mirko tells me how he started "As a balance to my daily office life I began taking photos of various spots in Zurich with a really simple camera and a lot of enthusiasm. Photography soon became an important part in my life". Since 2006 Mirko expanded his portfolio with new images from Vietnam, Thailand and India. Exactly this series is what Mirko is exhibiting in June. Mirko describe this exhibition with these words "I simply want to touch the observers of my photos. I want them to be a part of another world which seems to be so far away but is in reality pretty close". Mirko's photography had been exhibited at the Mirgro's Limmatplatz and the Photo07 at the Maag Event Hall in Zurich. You can find out more about Mirko on [www.einfach-nur-bilder.ch](http://www.einfach-nur-bilder.ch).
